

I am nominating Anne Turner as a Life Member of Rep.

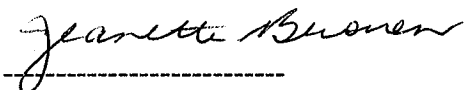

She has been a tower of strength to me in the Wardrobe for the last 13 or more years, helping to organise and tidy and has had many initiatives for improvements both in the wardrobe and outside with events which have helped to improve Rep's profile. She has been a prime mover with the Rep Retro Sales which have raised about \$2,000 to \$3,000 per time for Rep. She researched and proposed the installation of Aircon in the Wardrobe which was long overdue. She also researched the installation of new carpet for Wardrobe after the big flood and new storage cupboards.

She has initiated improvements and working parties in the garden areas and negotiated with Bunnings and organised a sausage sizzle which raised most of the money to improve and surface the backyard parking area.

Anne has been a member for over 20 years and during that time has pitched in with Music Hall since her early days and served two years on Council. She has organised many Wine Tours and a sub-committee for Rep's 80th Birthday celebrations in 2012 and organised a memorable Dinner Dance at the Albert Hall and was instrumental in another dinner/dance at University House.

She was one of four 'little ladies' who negotiated with Council to improve the "Treetops Balcony" back in about P2007 when we cleaned, sanded, painted, installed blinds and furniture on the balcony outside the Ryan Room.

I feel she is a fitting person to be included in the band of Life Members of Rep.
